Domestic Violence Instructor Course

Southwest Training Consultants is proud to offer Domestic Violence Refresher Course sponsored by the Carlsbad Police Department. Domestic Violence in most agencies is a regular call for service, and handling these calls can be difficult. You have to know a lot about the law and the signs to look for when identifying an aggressor. This course will give you the tools necessary to be more effective in your handling of these incidents. We will address the signs of domestic violence, from the physical signs to the emotional signs. We will go over strangulation and what to look for. We will also give you the tools needed to assist the victims in these matters. This class is taught by Captain Eric Threlkeld who has an extensive background and education in handling DV calls. We look forward to seeing you at one of the upcoming classes.
