

FIELD TRAINING OFFICER (FTO) PROGRAM

FTO 101 will help you develop your field training officers to become great officers. Becoming a certified FTO is not just about knowing the ins and outs of the job or the department, but more importantly being a positive role model, mentor, and leader. As an FTO, you must understand that times have changed and the “Rookie Officers” that are coming into the field are different. This class will give you tips and techniques to better approach these incoming officers in order to tap into their strengths to make a more positive, hardworking officer that will better fit your department.
